

Correction: Time to Organize the Bioinformatics Resourceome

Nicola Cannata, Emanuela Merelli, Russ B. Altman

DOI: 10.1371/journal.pcbi.0010076

In *PLoS Computational Biology*, volume 1, issue 7.

Two quotes and reference citations were omitted in error:

“More information needs to be in a form that the machine can ‘understand’ rather than simply display” —T. Berners-Lee and J. Hendler [7]

“We invite the life science communities to participate together and begin realizing the semantic Web vision.”
—E. Neumann [12]

This correction note may be found online at DOI: 10.1371/journal.pcbi.0020020.
