Figure S3. Interpretation of CTCF-bound sequences. (A) and (B) Saliency map interpretation score for the sequence input analyzed by MaxEnt interpretation in Fig. 3 (A) and (B), respectively. (Representation of Saliency Map score uses code from [1]). (C) and (D) DeepLIFT interpretation score for the sequence input analyzed by MaxEnt interpretation in Fig. 3 (A) and (B), respectively. (Representation of DeepLIFT score uses code from [1]).
