

Table S1. Number of short, medium and long-length connections for each type of synapse (electrical synapse, chemical synapse, or a combination of both features).

	Short	Medium	Long	Total
Gap-junction	546	66	40	652
Chemical synapse	1495	180	287	1962
Combination	260	52	64	376
Total	2301	298	391	2990
