
A
Kurtosis across time
**
**
Place cells
s units in C1
s units in C2
r = -0.8969
Size of receptive field
B
Kurtosis across population
**
**
Place cells
s units in C1
s units in C2
r = -0.8151
Spatial density
C
Spatial information sparseness
**
**
Place cells
s units in C1
s units in C2
D
Spatial information correlation
Place cells
s units in C1
s units in C2
