

Correction: The Genographic Project Public Participation Mitochondrial DNA Database

Doron M. Behar, Saharon Rosset, Jason Blue-Smith, Oleg Balanovsky, Shay Tzur, David Comas, R. John Mitchell, Lluís Quintana-Murci, Chris Tyler-Smith, R. Spencer Wells, The Genographic Consortium

doi:10.1371/journal.pgen.0030104

Correction for:

Citation: Behar DM, Rosset S, Blue-Smith J, Balanovsky O, Tzur S, et al. (2007) The Genographic Project public participation mitochondrial DNA database. PLoS Genet 3(6): e104. doi:10.1371/journal.pgen.0030104

The original version of Dataset S1 was truncated. The full dataset follows:

Dataset S1. The Genographic Project Open Resource Mitochondrial DNA Database (Consented Database)

Found at doi:10.1371/journal.pgen.0030169.sd001 (10.5 MB XLS).

This correction note may be found online at doi:10.1371/journal.pgen.0030169.

Received: August 17, 2007; Accepted: August 17, 2007; Published: September 28, 2007.

Correction: Mouse Pachytene Checkpoint 2 (*Trip13*) Is Required for Completing Meiotic Recombination but Not Synapsis

Xin Chenglin Li, John C. Schimenti

doi:10.1371/journal.pgen.0030130

Correction for:

Citation: Li X, Schimenti JC (2007) Mouse pachytene checkpoint 2 (*Trip13*) is required for completing meiotic recombination but not synapsis. PLoS Genet 3(8): e130. doi:10.1371/journal.pgen.0030130

Xin Chenglin Li's name was incorrectly listed as Xin Li. The correct citation is:

Li XC, Schimenti JC (2007) Mouse pachytene checkpoint 2 (*Trip13*) is required for completing meiotic recombination but not synapsis. PLoS Genet 3(8): e130. doi:10.1371/journal.pgen.0030130

This correction note may be found online at doi:10.1371/journal.pgen.0030168.

Received: August 17, 2007; Accepted: August 17, 2007; Published: September 28, 2007.
