Ref: Confirmation letter on publication of data about rabies

As per their request with the attached data collection format, Suhul Hospital has given four years data, 2012 to 2015, on rabies to researchers of Aksum University. Our data is recorded in a digital database at the hospital. With this letter, I confirm the integrity of the data and our informed consent that the data can be used for publication in a scientific journal.

With kind regards,

Tesfazgi Gebrehiwot
