There is no way I can trace your answers back to you. You remain completely anonymous.

Example INSTRUCTIONS

Please pick a card from the pack – do not let me see what card you have

Remember the rules:

Queen = answer the question truthfully

Number card = add the number on the card you have picked to your true response and report the total (Ace = 1)

QUESTION: Of the _____________ that you acquired over the last five years, how many died within the first 12 months?
