

## Study 1 Materials Sample

We want to know what comes to an individual's mind when they think of certain traits.

Please give your **gut response** to the question below. Just list the first things that pop into your mind; do not censor them or worry about how they sound. There are no right or wrong answers. We are not interested in individual participants, we are only interested in the items in the survey and what is associated with them. Also, please remember all responses are **anonymous**. When you are done, we will separate this sheet from the questionnaire so it won't be tied to your name. It will never be associated with you in any way.
