Probes

Question 1. You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

11Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

I gave her for the first 3days and I had to stop for 3days because she started stooling and I have continued up till now. I give her a sachet on a daily basis and she has also stopped stooling

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

My child's health has improved and her appetite ahs increased also

Question 4. What questions do you have about the MNP based on your experience using it?

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

It should be free and every child should have it
