Probes

Question 1. You have XX MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

I am okay with the product and it is very good to use because the product is mixed with the available food in our house and every in the community is available.

Question 4. What questions do you have about the MNP based on your experience using it?
I don't have any question

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

My advice is that I urge the government to bring the product that will be enough to distribute to the whole community.

Finally, we need more enlightenment and education about the product because I saw it impact on my child.
