Probes

Question 1. You have XX MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

I did not faced with any challenge at all

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

His appetite has improved tremendously. He takes more of kunu and tuwo and he sucks more breast too

Question 4. What questions do you have about the MNP based on your experience using it?

I don't have any question

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

I don't know. It is okay the way it is because it makes the child eat more so it is very good
