\_55\_\_\_\_\_ / \_41\_\_\_\_\_ = \_\_\_\_134\_\_\_\_\_ %

## **Probes**

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**Easy**

**Very Easy**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

I have to use a razor blade to open the sachet.

Preparing kunu each day just to administer the MNP is that ok.

Can I still continue administering the MNP because my child is feeding better now

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

The taste was ok because my child did not reject it in the few days that I gave her

**Question 4.** What questions do you have about the MNP based on your experience using it?

Is diarrhoea a side effect of the MNP?

My child was vomiting breast milk after consuming MNP is that ok

Can I still continue administering the MNP? Because my child is feeling better now?

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

There should be no restrictions in the kind of food MNP will be added to
