Probes

Question 1. You have XX MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

I haven't faced any challenge using this product, it is easy to use

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

Because I really understand the MNP product and how to use it, its easy and simple to use and we also appreciate the government's efforts on our children

Question 4. What questions do you have about the MNP based on your experience using it?

When will you increase the number of children that will receive the MNP?

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

Please we need more intervention from government on our children's health.
