## Probes

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**Easy**

**Very Easy**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

I did not face any challenge

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

It is very easy to use and the baby did not reject the nutrient, she eats a lot now

**Question 4.** What questions do you have about the MNP based on your experience using it?

**Just like I said her appetite has improved drastically, so we need more food to feed them with**

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

I do not have any recommendation; you people were the ones that brought the product, so you know what to do
