Probes

Question 1. You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

The child was seriously stooling when I started given him the MNP but it has stopped. Though the child likes the MNP but I still have to give him myself. But now he is doing fine and he drinks the MNP.

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

- i. The boy likes the powder
- ii. He looks more healthy

Question 4. What questions do you have about the MNP based on your experience using it?

none

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

If possible let the MNP taste like sugar, it will be nice so as to facilitate the easy consumption of the MNP.
