Probes

Question 1. You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

There is no challenge I have seen or heard about this MNP

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

Because of the small size or small quantity, the child normally finishes it

Question 4. What questions do you have about the MNP based on your experience using it?

There is question to ask since it is easy to use

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

I will only want to appreciate you for bringing this product to us, my child was already emaciating due to teething but since he started taking it, he has been doing well
