## Probes

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**Easy**

**Very Easy**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

I find it very easy because my wife and child accepted it without any difficulties. We mix it with kunu and kunu is available at all times.

**Question 4.** What questions do you have about the MNP based on your experience using it?

**If the MNP product is finished, where are we going to get it from again?**

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

Please make the product to be available to everyone in this community so that all people will be carried alone
