Probes

Question 1. You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

I have to use my teeth to tear off the sachet. Preparing kunu to administer the MNP with on the daily basis has not been an easy take. He has diarrhea when I started given him the MNP

Question 3

He always finishes the kunu mixed with MNP with ease
He is healthier and full of energy

Question 4. What questions do you have about the MNP based on your experience using it?

Dose this MNP has side effect .

Can I take a break from using the MNP because of the diarrhea

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

I had doubt about the MNP and I behaved some caregivers feel the same. There is need for adequate education on MNP in this community. Because my opinion is those who brought this MNP must have thought our children need it and has our best interest at that is why we were chosen to get it.
