Probes

Question 1. You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

There is no challenge, I don't know whether it gave her any challenge at the beginning when I was away but since I came I have not noticed any difficulty

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

We enjoy the improvement we are seeing in our children's health

Question 4. What questions do you have about the MNP based on your experience using it?

I couldn't meet the health personnel that brought the MNP. What illnesses does it prevent or treat and what are the benefits of using it?

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

My recommendation is that the health officers should champion the campaign of going to all rural areas to distribute the MNP and create awareness on the benefits on how it should be used
