Probes

Question 1. You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

He was sick when they gave him MNP but when I started giving him I observed that he started improving, so I was encourage that is why I don't forget to give him and now my child that was wasted without strength now is strong and can beat all his age mate

Question 4. What questions do you have about the MNP based on your experience using it?

This MNP is good but I don't know the type of sickness is meant for, please can you tell me the name of the sickness

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

Please let it be free so that every child can have access to it because you can see we are poor
