Probes

Question 1. You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

Very Difficult

Difficult

Easy

Very Easy

Question 2. Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

Question 3. Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

They gave me an instruction to give him a sachet daily, my child has not been sick; it's only that he eats a lot now

Question 4. What questions do you have about the MNP based on your experience using it?

Why won't I give 2 sachet when I miss the previous day?

Question 5. What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

Just make sure you involve the community leaders/religious leaders, so that every can have it and use for her child since it is a good drug.
