## Probes

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**Easy**

**Very Easy**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

At first it was challenging as in she was finding it difficult to use, but she has gotten use to it

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

Taking the MNP has yielded result and as such we are happy giving her

**Question 4.** What questions do you have about the MNP based on your experience using it?

**Don't have any question**

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

There should be enough health workers and enough provision of MNP in order to reach out to every child in the community
