43 / 45 = 95.6 %

**Probes**

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**Easy**

**Very Easy**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

There was no challenge that I faced like I told you earlier on. Nothing at all

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

It was easy to store it because of the size. The child did not noticed any difference, so he ate it well and it has increased his appetite

**Question 4.** What questions do you have about the MNP based on your experience using it?

I do not have any question at all

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

I don't know, you should ask my husband and the village head
