## **Probes**

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**Easy**

**Very Easy**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

There was no challenge at all.

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

Because it has been keeping my child healthy, not until today that I observed that he is ill. It has been working well for him and that is what we enjoy.

**Question 4.** What questions do you have about the MNP based on your experience using it?  
I have no question at the moment.

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

My recommendation is that there should be medicine that my children will take.
