## Probes

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**Easy**

**Very Easy**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

Zara likes it because it looks like sweet and she ask for it every day. My daughter is stronger now and I noticed she don't fall sick as often as before

**Question 4.** What questions do you have about the MNP based on your experience using it?

Now that am giving MNP if I wean her can I continue giving her and stop our practice of giving herbal medicine to our weaned children

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

They should share MNP house to house and educate mothers on how to use it. It is not difficult at all because you can see that I have been using it every day since I was given
