## Probes

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**Easy**

**Very Easy**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

It was very easy to use

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

I like it because it has increased her appetite a lot now and now she eats more. She doesn't normally eat well but now she does

**Question 4.** What questions do you have about the MNP based on your experience using it?

**I don't have any problem using this product because I understand how to use the product and it wasn't a problem for me**

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

You should bring more of the product to us since it is very easy to use and also very effective
