## **Probes**

**Question 1.** You have **XX** MNP sachets remaining. Explain how easy or difficult it was to use the MNP product on a daily basis for your child 6 – 23 months? (Circle one answer)

**Very Difficult**

**Difficult**

**(Easy)**

**(Very Easy)**

**Question 2.** Describe any specific challenges that you faced that made the MNP difficult to use on a daily basis?

None

**Question 3.** Describe specific aspects of the MNP product that you or your child enjoyed that made it easier to use on a daily basis?

- I notice that the baby sleeps more often
- I feel the baby is receiving additional care to grow properly
- I also feel the MNP will prevent some minor sickness from attacking the child

**Question 4.** What questions do you have about the MNP based on your experience using it?

- If these ones am using (MNP) is exhausted where can I get more
- If I mix the MNP inside the baby food and she did not finish the food at that time, will I still feed her the food mixed with MNP later or what should I do?

**Question 5.** What specific recommendations do you have that we can do as a program to make the MNP easier to use on a daily basis?

If there can be jingles on radio to remind most mothers not to forget to give their baby's the MNP on a daily basis
