

EDITORIAL

PLOS Genetics 2014 Reviewer Thank You

The Public Library of Science (PLOS) and the *PLOS Genetics* editorial team would like to express our tremendous gratitude to all those individuals who participated in the peer review process this past year at *PLOS Genetics*. As a journal that is run by and for the scientific community, we depend upon you, the community, to communicate our best work. 2014 was great year for *PLOS Genetics*; during the year, over 3000 reviewers from around the world helped evaluate over 1200 articles.

The names of our 2014 reviewers are listed in [S1 Reviewer List](#). Thank you to all our reviewers for sharing your expertise with the *PLOS Genetics* authors. Your efforts are an important part of making the journal a highly valued open access resource created by and for the benefit of the scientific community.
