EDITORIAL

PLOS Genetics 2015 Reviewer Thank You

The Public Library of Science (PLOS) and the PLOS Genetics editorial team would like to express our tremendous gratitude to all those individuals who participated in the peer review process this past year at PLOS Genetics. As a journal that is run by and for the scientific community, we depend upon you, the community, to communicate our best work. 2015 was a great year for PLOS Genetics; during the year, over 3,100 reviewers from around the world helped evaluate over 1,190 articles.

The names of our 2015 reviewers are listed in S1 Reviewer List. Thank you to all our reviewers for sharing your expertise with the PLOS Genetics authors. Your efforts are an important part of making the journal a highly valued Open Access resource created by and for the benefit of the scientific community.
