Figure S6

The figure shows a circular diagram labeled "Intra-RT4" with various labeled segments such as "migS" and "αIC" on the outer circle. The inner circle contains segments labeled "Ori," "Right," and "Ter." The diagram also includes a bar chart titled "intra-RT4" with two categories: "non inverted" and "inverted." The bar chart displays data for size in μm with markers for 1-2 nuc, 4 nuc, par, CUN, and anuc.
