

Pathway Analysis: clu_c1q p-value: < 2e-03
Network: GeNets Meta network v1.0 Geneset: clu_c1q

S18 Fig. Protein-protein interaction (PPI) network of protein products of *CLU*, *C1QA*, *C1QB* and *C1QC*. The PPI suggests that the products of CLU physically interacts with complement proteins. The PPI was generated with GeNets Meta network v1.0 database.
