The sixth author's name is spelled incorrectly. The correct name is: Grégoire Millet.

There is an error in Table 2. The right-hand column should read "Eyes Closed." Please see the corrected Table 2 below:

There are errors in Figure 5 and Figure 6. In both figures, there are repeated descriptions for the histograms A, B, C and D and the descriptions for E, F, G and H are missing.

Please see the corrected Figure 5 below:
