

Correction

Correction: Mining Rare Associations between Biological Ontologies

The *PLOS ONE* Staff

There is an error in the first equation. Please see the corrected Equation 1 here.

$$SupExp = \begin{cases} 1) p_a * p_b, & \text{if } a, b \in \text{roots} \\ 2) p_{ab} * \frac{p_a}{p_a}, & \text{if } a \notin \text{roots} \text{ and } b \in \text{roots} \\ 3) p_{ab} * \frac{p_b}{p}, & \text{if } a \in \text{roots} \text{ and } b \notin \text{roots} \\ 4) p_{ab} * \frac{p_a}{p_a} * \frac{p_b}{p_b}, & \text{otherwise} \end{cases} \quad (1)$$
