# Correction: Is the public sector of your country a diffusion borrower? Empirical evidence from Brazil

Leno S. Rocha, Frederico S. A. Rocha, Thárisis T. P. Souza

The files published for [S1](#) and [S2](#) Figs are incorrect. Please view the correct Supporting Information files below.

## Supporting information

**S1 Fig. Credit pleas per year along with the analytical solution provided by the logistic model.**

(TIF)

**S2 Fig. Number of pleaded credit operations per federated entity in Brazil from 2002 to 2015.** Operations of municipalities aggregated at the state level. Considerable spatial heterogeneity in the number of loan pleas by federated entity can be observed.

(TIF)
