

CORRECTION

Correction: Factors affecting forest area change in Southeast Asia during 1980-2010

Nobuo Imai, Takuya Furukawa, Riyou Tsujino, Shumpei Kitamura, Takakazu Yumoto

[S1 Table](#) is a duplicate of S1 Text. Please view the correct [S1 Table](#) below.

Supporting information

S1 Table. Results of the PCA analysis for social openness, agricultural input and yield in the eight SE Asian countries. Bolds are the maximum absolute variable loadings among PCA axes in each variable. Only PCA axes that explained at least 10% of data variability are shown. (PDF)
