

CORRECTION

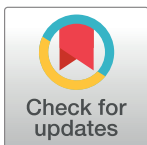

Correction: Estimation of crossbreeding and genetic parameters for reproductive traits of Boer x Central Highland goats in Ethiopia

Zelege Tesema, Belay Deribe, Mekonnen Tilahun, Alemu Kefale, Getachew Worku Alebachew, Kefyalew Alemayehu, Tesfaye Getachew, Damitie Kebede, Mengistie Taye, Solomon Gizaw

In the Statistical analysis subsection of Materials and Methods, there is an error in the fifth sentence of seventh paragraph. The correct sentence is: Repeatability (r) = $\sigma_a^2 + \sigma_c^2 / \sigma_p^2$, where σ_a^2 is the direct additive genetic variance, σ_c^2 is the permanent environmental variance and σ_p^2 is phenotypic variance.
