**Fig 2. Cook and hunter responses to which type of meat they most prefer to eat from among wild and domestic choices in Nwoya district, Uganda, 2016–2017.**

<https://doi.org/10.1371/journal.pone.0325743.g002>

**Fig 4. Cook and hunter responses to how often hunters and dealers disguise primate meat as another kind of meat to sell in Nwoya district, Uganda, 2016–2017.** Independent t-tests show a significant difference in mean responses between cooks and hunters for both questions about how frequently hunters disguise primate meat ( $t_{437.8} = -35.3$ ,  $p < 0.001$ ) and how frequently dealers disguise primate meat ( $t_{392.0} = -63.3$ ).
