

CORRECTION

Correction: Performance enhancement and PAPR reduction for MIMO based QAM-FBMC systems

Emad S. Hassan

The Data Availability statement for this article is incorrect. The correct statement is: The original underlying data to support all results in the article and Supporting Information files are available at Figshare (<https://figshare.com/s/b72383291f366bdee1eb>).

The author also states that the AI tool Grammarly was used for grammar checks during the preparation of the manuscript.
