Correction: New miRNA Profiles Accurately Distinguish Renal Cell Carcinomas and Upper Tract Urothelial Carcinomas from the Normal Kidney

The PLOS ONE Staff

In the XML and PDF versions of the article, the corresponding authors' email addresses are duplicated. Please see below for the authors' correct email addresses:

Apostolos Zaravinos, zaravinos.apostolos@ucy.ac.cy

Constantinos Deltas, Deltas@ucy.ac.cy

In the PDF version of the article, the corresponding author's name is spelled incorrectly in the footnote containing the author's current address. The correct name is: Apostolos Zaravinos.

The journal apologizes for these errors, which were introduced during the preparation of the article for the publication.
