CORRECTION

Correction: Higuchi Dimension of Digital Images

The PLOS ONE Staff

In equation 4, the two brackets surrounding $[N-m/d]$ should be replaced by floor function brackets. Please view the correct equation here.

$$L_m(d) = \frac{1}{d} \left\{ \left(\sum_{i=1}^{\lfloor \frac{N-m}{d} \rfloor} |x(m+id) - x(m+(i-1)d)| \right) \frac{N-1}{\lfloor \frac{N-m}{d} \rfloor d} \right\},$$

In equation 5, the character “i” just under the summation sign should be replaced by “m”. Please view the correct equation here.

$$L(d) = \frac{1}{d} \sum_{m=1}^d L_m(d)$$
