CORRECTION

Correction: Otoliths of Five Extant Species of the Annual Killifish *Nothobranchius* from the East African Savannah

Bettina Reichenbacher, Martin Reichard

There is an error in the title of the third subsection of the Results. The correct title is: Interspecific differences in otoliths of *N. korthausae* and *N. ruudwildekampi*.

There is an error in the last sentence of the “Intraspecific differences in otoliths of *N. korthausae*” subsection of the Results. The correct sentence is: The otolith variables confirm these differences because the length-height index (0.86 ± 0.03 for Mafia vs. 0.92 ± 0.04 for Kwachepa), the relative antirostrum length (2.97 ± 1.6 for Mafia vs. 4.8 ± 1.7 for Kwachepa), the excisura angle (150.1 ± 8.9 for Mafia vs. 138.0 ± 11.4 for Kwachepa) and the posteroventral angle (123.89 ± 3.4 vs. 128.94 ± 5.6) are significantly different (T-test, $P < 0.05$; see Table 4).

There is an error in the legend for [Fig 4](#). Please see the complete, corrected [Fig 4](#) here.
