CORRECTION

Correction: Induction of TLR-2 and TLR-5 Expression by *Helicobacter pylori* Switches *cagPAI*-Dependent Signalling Leading to the Secretion of IL-8 and TNF- α

Suneesh Kumar Pachathundikandi, Sabine Brandt, Joseph Madassery, Steffen Backert

In Panel A of Fig 6, the blot images for the GAPDH lanes in the HEK293-TLR2 and HEK293-TLR5 panels were erroneously duplicated. Please see Figs [10](#) and [11](#) to view the raw blots for the GAPDH lanes.
