CORRECTION

Correction: A Kinetic and Factorial Approach to Study the Effects of Temperature and Salinity on Growth and Toxin Production by the Dinoflagellate *Alexandrium ostenfeldii* from the Baltic Sea

The PLOS ONE Staff

There is an error in the PDF version of the published article. In the Material and Methods, under the subsection Experimental design and statistical analysis, the text should indicate the following:

$$F1 = \text{Model} / \text{Total error} \quad F1 \geq F_{den}^{num}$$

The Publisher apologizes for the error.
