CORRECTION

Correction: ComOn-Coaching: The effect of a varied number of coaching sessions on transfer into clinical practice following communication skills training in oncology: Results of a randomized controlled trial

Marcelo Niglio de Figueiredo, Lorena Krippel, Gabriele Ihorst, Heribert Sattel, Carma L. Bylund, Andreas Joos, Jürgen Bengel, Claas Lahmann, Kurt Fritzsche, Alexander Wuensch

There is an error in the second sentence under the heading “Results” in the Abstract. The correct sentence is: The intervention group showed a statistically significant improvement (ES $d = 0.45$, $p = .01$) in the *All items* domain of the rating scales between t1 and t2 and showed a significant advantage compared with the CG (ES $d = .41$, $p = .04$).

In [Table 7](#), the values in the column with the heading “Effect Size” are incorrect. Please see the corrected [Table 7](#) here.
