Figure S1A

Individual A

No. of OTUs (defined at 97% sequence similarity)

No. of sequences read

Individual B

No. of OTUs (defined at 97% sequence similarity)

No. of sequences read

Individual C

No. of OTUs (defined at 97% sequence similarity)

No. of sequences read

Individual D

No. of OTUs (defined at 97% sequence similarity)

No. of sequences read

Individual E

No. of OTUs (defined at 97% sequence similarity)

No. of sequences read

Pooled stools

No. of OTUs (defined at 97% sequence similarity)

No. of sequences read
Figure S1B

No. of OTUs (defined at 97% gene similarity)

A  B  C  D  E  Stools

Left colon  Right colon  Rectum  Stools
