PBS - VHSV

8 h
- Viral reproduction (11)
- Cellular process (73)
- Metabolic process (26)
- Response to stimulus (66)
- Multi-organism process (11)
- Reproduction (1)
- Biological regulation (29)
- Biological adhesion (6)
- Cell proliferation (1)
- Immune system process (5)
- Localization (20)
- Death (9)
- Growth (6)
- Developmental process (7)

24 h
- Viral reproduction (8)
- Cellular process (1208)
- Metabolic process (1293)
- Response to stimulus (481)
- Reproduction (18)
- Multi-organism process (35)
- Multicellular organismal process (44)
- Biological regulation (46)
- Biological adhesion (46)
- Cell killing (6)
- Cell proliferation (28)
- Immune system process (91)
- Growth (27)
- Death (80)
- Developmental process (145)

72 h
- Viral reproduction (11)
- Cellular process (1661)
- Metabolic process (1638)
- Response to stimulus (471)
- Reproduction (29)
- Multi-organism process (43)
- Multicellular organismal process (233)
- Biological regulation (63)
- Biological adhesion (46)
- Cell killing (7)
- Cell proliferation (43)
- Immune system process (110)
- Growth (24)
- Death (103)
- Developmental process (192)
- Cellular component organization or biogenesis (217)
