HPV Survey

The purpose of this survey is to learn about college students’ knowledge and health beliefs concerning human papillomavirus (HPV). Your responses are completely anonymous; there is no way for anyone to connect your responses to you. You will have the option of entering a drawing for one of four $20 Amazon gift cards at the conclusion of the survey. Please answer the following questions to the best of your knowledge without looking up any answers. This survey will take about 10 minutes to complete. Please continue to start the brief survey.
What is your age?
- Under 18 years (1)
- 18 years old (11)
- 19 years old (2)
- 20 years old (3)
- 21 years old (4)
- 22 years old (5)
- 23 years old (6)
- 24 years old (7)
- 25 years old (8)
- 26 years old (9)
- 27 or more years old (10)

If What is your age? (U.S. Census 7 Categories) Under 18 years Is Selected
Thank you for your interest in this survey. You must be 18 years of age or older to participate.
If Thank you for your interest... Is Displayed, Then Skip To End of Survey

How do you identify your gender?
- Female (1)
- Male (2)
- Transgender (3)
- I prefer not to answer (4)

Are you Hispanic, Latino/a, or Spanish in origin?
- Yes (1)
- No (2)
- Uncertain (3)
- Prefer not to answer (4)

What is your racial or ethnic identification? (Select all that apply)
- Black or African American (3)
- White (6)
- Asian (2)
- American Indian or Alaska Native (1)
- Native Hawaiian or Other Pacific Islander (5)
- Other (7) __________________
- Prefer not to answer (8)
What is your year in school?
- 1st year undergraduate (1)
- 2nd year undergraduate (2)
- 3rd year undergraduate (3)
- 4th year undergraduate (4)
- 5th year undergraduate (5)
- Not seeking a degree (6)
- Other (7)
What is your major? If you are a double or triple major, please list all of your majors.

Do you belong to or attend a church, synagogue, or any other religious organization?
- Yes (1)
- No (2)
- Prefer not to answer (3)

Which one of these statements is true for you?
- There have been times in my life when I did NOT have any health insurance (1)
- I have always had some kind of health insurance (2)
- I am uncertain about my history of health insurance (3)

Do you have a primary health care provider (i.e., a regular doctor)?
- Yes (1)
- No (2)
- Uncertain (3)

Do you rely on your parents when making a medical decision?
- Never (1)
- Rarely (2)
- Sometimes (3)
- Often (4)
- Always (5)
The following questions are about the human papillomavirus, also known as HPV. Please answer each item to the best of your knowledge.

<table>

Please indicate your current relationship status:
- Single and not dating (1)
- In a relationship with one person only (dating, engaged, married) (2)
- Dating more than one person (3)
- Prefer not to answer (4)

Have you ever had sexual intercourse?
- Yes (1)
- No (2)
- Uncertain (3)
- Prefer not to answer (4)
Have you ever been diagnosed with a STI or STD (sexually transmitted infection or disease)?
- Yes (1)
- No (2)
- Uncertain (3)
- Prefer not to answer (4)

Have you ever been diagnosed with HPV or genital warts?
- Yes (1)
- No (2)
- Uncertain (3)
- Prefer not to answer (4)

Display This Question:
  If Please indicate your sex: Female Is Selected

Have you ever been diagnosed with an abnormal Pap smear?
- Yes (1)
- No (2)
- Prefer not to answer (4)
Have you been vaccinated for HPV? There are currently two HPV vaccines. If you have ever received either the Gardasil or the Cervarix shots, then you have been vaccinated.
- Yes (1)
- No (2)
- Uncertain (3)

If No Is Selected, Then Skip To If answer NO to 28

How many of the HPV vaccine shots have you received?
- 1 (1)
- 2 (2)
- 3 (completed series) (3)
- Uncertain (4)

Display This Question:
- If If yes, how many shots have you received? 3 (completed series) Is Not Selected

How likely are you to get the remaining shots to finish the vaccine series?
- Very Unlikely (1)
- Unlikely (2)
- Undecided (3)
- Likely (4)
- Very Likely (5)

Display This Question:
- If Have you been vaccinated for HPV? There are currently two HPV vaccines. If you have ever received... No Is Selected

Please indicate which statement best indicates your thoughts about the HPV vaccination today?
- I never seriously thought about getting the HPV vaccination (1)
- I have seriously thought about getting the HPV vaccination, but I decided against it (2)
- I have seriously thought about getting the HPV vaccination, but have not thought about it in the past 6 months (3)
- I am seriously thinking about getting the HPV vaccination sometime within the next 6 months (4)
- I plan to get the HPV vaccination within the next month (5)

Display This Question:
- If Have you been vaccinated for HPV? There are currently two HPV vaccines. If you have ever received... No Is Selected

How likely are you to get the HPV vaccine?
- Very Unlikely (1)
- Unlikely (2)
- Undecided (3)
- Likely (4)
- Very Likely (5)
Display This Question:

If How likely are you to get the HPV vaccine? Very Unlikely Is Selected
Or How likely are you to get the HPV vaccine? Unlikely Is Selected

If you are unlikely or very unlikely to get the HPV vaccine, please consider describing why are you unlikely to get the HPV vaccine?

THIS COMPLETES THIS SURVEY. You will be automatically redirected to a separate survey to indicate your interest in entering the RAFFLE to win one of four $20 gift certificates to Amazon.com. You will also be able to indicate if you are interested in participating in follow-up focus groups or interviews about this topic or to request a copy of the results once the study is completed. Remember, you are being redirected to a separate survey and in no way can your email be connected to your responses on this survey.
