S4: Supplement 4

Would government compensation of living kidney donors exploit the poor?
Held, McCormick, Chertow, Peters, and Roberts.

Supplement 4 (S 4): S 4 (Employing educational attainment as a proxy for income).

This research used educational attainment as a proxy for income. Much research has shown a close correlation between the two. See Figure S4-1 for an overview of this association. Education is also related to the unemployment rate, also shown in Figure S4-2.
