A

Low signature scores
n = 277 (10)

High signature scores
n = 92 (3)

Follow up time (years)

Disease specific survival

p = 3.59e-06

B

High signature scores
n = 277 (24)

Low signature scores
n = 92 (17)

Follow up time (years)

Disease specific survival

p = 0.12
