S3 Fig. Cartography of mortality in 1438

Map frame: GIS-based map of Dijon in the 15th century

Yellow area circled in red: over-mortality of heads of households evidenced by spatial analysis [29]
White area circled in red: location of the Saint Esprit hospital
Box: detail of the first preserved map of Dijon (hospital circled in red).

*Figure based on personal data [29 and this work (S16 Text)].*

The map of Bredin is a publicly available document kept at the Archives Municipales de Dijon. No previous copyright.
